April 2024**

Library & Auditorium Complex
SGPGIMS, Lucknow, India

Under the aegis of Sgpgims Adult Urology & Uro-Oncology Foundation

Operative Workshop & Innovations in Uro-Oncology

& Alumni Reunion

Dear Colleagues,

We are delighted to extend a warm invitation to you for an comprehensive international event - the "OPERATIVE WORKSHOP & INNOVATIONS IN URO ONCOLOGY," organized by the Department of Urology and Renal Transplantation at SGPGIMS, Lucknow. The event is scheduled to take place on the 12th, 13th, and 14th of April 2024.

Highlights

1. Robotic / lap /open live operative procedure simultaneously
2. Demonstration of innovative techniques
3. Semilive operative videos
4. Future research opportunities in Urooncology
5. Controversies in Urooncology
6. Utility of ICG and Firefly technology
7. Artificial Intelligence in Urooncology
8. Live Interactive sessions, case-based discussions by eminent faculties from India and abroad
9. Residents & Fellow's discussion sesison.
10. Alumni Meet (April 12th, 6 pm onwards)

We will demonstrate the surgical procedures simultaneously by robotic, lap, and open approaches to appreciate the nuances, advantages and disadvantages of each. We are committed to providing a unique and enriching experience, showcasing the diversity and advancements in the field of Uro Oncology. To learn more about the event and to secure your participation, please reach out to us.

Warm regards
